## PROFESSIONAL SUMMARY

Brand & Visual Designer with 12+ years of experience creating brand identities, packaging, print, motion graphics, and production-ready artwork. Experienced in delivering creative solutions for local businesses and global clients. Recently expanded into AI-assisted website creation using modern development workflows, enabling the delivery of responsive websites alongside strong visual design expertise.

## EXPERIENCE

### Graphic Designer & Production Artist

**Office Beacon LLC** May 2023 – Sept 2025

- Managed high-volume image editing, color correction, and retouching workflows.
- Prepared print-ready vector artwork and files for global production standards.
- Collaborated with international clients to ensure 100% on-time delivery.
- Conducted quality assurance for large-scale production orders.
- ★ Star Performer of the Year (2024) — recognized for reliability and exceptional output

### Freelance Graphic Designer & Photographer

**Self-Employed / Studio Manager** 2013 – 2022

- Delivered end-to-end creative solutions including Wedding Album Design.
- Managed photography and videography for large-scale events.
- Handled client communication, requirement gathering, and delivery.
- Developed a keen eye for detail through years of photo retouching.
